*Obey the Lord and serve him faithfully with all your heart.  
Remember the great things he has done for you. (1 Samuel  
12:24)*

The Christian Debutante and Master's Commission of the Tennessee Annual Conference worked hard this conference year to continue our work at the district level. This year, we helped to plan the district presentation in Bowling Green, KY. and presented 1 Allenite, Braden Brown. We are continuing to work with Commissioner Sherri Pointer, to raise funds to send our young people to the 2020 connectional presentation in Orlando, Florida. Throughout the conference year, we will be having a Krispy Kreme fundraiser that all churches can participate in. More information regarding the fundraiser will be distributed in January 2019.

This spring/summer, the Tennessee Conference CDMC will be host 3 workshops:

1. Know Your Church
2. Health/Hygiene
3. Social graces/ Etiquette

Following the completion of these workshops, we will present our young people during our presentation ceremony. Additional information and dates will be sent out in February 2019. We look forward to this year's season and seeing our young people dedicate their lives to Christ.

Yours in Christian Service,

*Sis. Tiffany Ligon Brown, Conference Commissioner*
