What were the goals for the last conference year?

- A push for more active membership in our local churches.
- Fellowship with others outside of the church.
- Pushing the young adults to be free to be themselves in the local church.

What was accomplished on the annual conference level?

We have continued to maintain the goals and vision of this organization. Due to the pandemic we were unable to achieve all the goals but God still allow many of our members to help organize and march for racial inequalities that has been occurring in our nation. We have set up talks and symposiums to discuss the injustice of judicial system and the struggles of minorities in this country including the LGBTQI community.

Do you have your goals for this coming year? If so, please list.

We will continue the push for equality and justice for everyone in this country. We will continue to be who go call us to be in our local churches. We will continue to promote love and acceptance for all.
